surgiForce
The ultimate surgeon’s chair for microsurgery.

**Armrests**
- The individually adjustable armrests can be adjusted via the foot switches and the one-hand release

**Seating system**
- Our unique dynamic seating system supports correct sitting postures while protecting your back
- Seat height adjustment is also effected electronically, via the foot switches

**Chassis**
- The cast-aluminum lightweight chassis featuring double casters and a central brake provides maximum stability and at the same time unlimited mobility
- Battery operation for power supply-independent use
- Foot control element for seat height and armrest height adjustment; acoustic signal tone signaling the switch-over from armrest height to seat height adjustment

Options:
- surgiForce with Combi seat.
**Armrests**
- Rugged, 360-degree movable, and height-adjustable

**Seat System**
- Our unique dynamic seating system supports correct sitting postures while protecting your back

**Chassis**
- 4 double casters
- 5th wheel for added resistance to tipping
- Central brake acting on 4 wheels
- Power supply-independent battery box with integrated emergency shut-down switch
- Foot switch panel for moving the seat up & down

Optional:
- Plate adapter storage module and footswitch plate adapter.

Optional:
- One-hand operated release mechanism for direct and precise adjustment in all directions.
The modern surgeon’s chair.

Armrests
- Rugged, 360-degree movable, and height-adjustable

Seat System
- Seat system evenly distributes your weight as you make the slightest adjustment in position
- Anatomically formed, ergonomic backrest reduces pressure on intervertebral discs and provides ideal support for the lumbar spine.

Chassis
- 4 double casters
- Central brake acting on 4 wheels
- Power supply-independent battery box with integrated emergency shut-down switch
- Foot switch panel for moving the seat up & down

Optional:
Adaptable foot switch plate ensures the optimized layout of your foot control elements

Optional:
One-hand operated release mechanism for direct and precise adjustment in all directions.
The perfect assistant’s stool. Versatile and space saving.

- High-grade, comfortable and easy-care upholstery fabric to meet even the most stringent hygiene requirements
- Comfortable height adjustment via foot-triggered gas pressure spring
- Excellent movement characteristics thanks to double casters and 5-arm, chrome-plated aluminum chassis
- Reduces typical work-related health problems: muscular tension in the neck and lumbar areas
- Rugged safety chassis
- 5-armed design with double casters for extremely smooth movement
- Pedestal made of die-cast aluminum, polished
- Rotating and tilting anatomically correct saddle seat – comfortable and individually adjustable
- Maximum comfort level for your assistants, to prevent pain and fatigue while supporting the blood circulation
- High-quality, comfortable and easy-care upholstery to meet even the most stringent demands and hygiene requirements
- Height adjustment via manually triggered gas pressure spring
Bring your OR to perfection.
